BORDER SECURITY BRIEFING  
Arizona-Mexico Commission, Governors to be Briefed on  
Border Security Progress***

SCOTTSDALE – Governor Janet Napolitano of Arizona and Governor Eduardo Bours Castelo of Sonora will be briefed on the progress of joint Arizona-Sonora border security projects. The briefing will include presentations by the Arizona Department of Public Safety, members of the Governor's Fraudulent ID Task Force and Public Safety officials from the state of Sonora.

**DATE:** Friday, June 16  
**TIME:** 11:00 – 11:15 a.m.  
**LOCATION:** Hyatt at Gainey Ranch, Markland Boardroom  
7500 E. Doubletree Road, Scottsdale

The briefing is part of the Arizona-Mexico Commission's Summer meeting. In June 2005, Governors Napolitano and Bours signed an agreement to share law enforcement information on suspected criminals, as part of an initiative to make the border between Arizona and Sonora the safest between the United States and Mexico. A safe and secure border is key to promoting tourism, lawful commerce and other economic stimuli in the Arizona-Sonora region.
